I am a computer enthusiast; I enjoy the outdoors, military and expo's. I am an optimistic person and a hard worker. I want to see results of every project I start and believe that with the right training I can be an asset to any company. I am always on my feet and can work under pressure. I love learning new things and taking on new challenges.

My motto:

"Do not go where the path may lead, go instead where there is no path and leave a trail."

—Ralph Waldo Emerson
